PET SUPPLIES "PLUS"

1-03-2012

I have had the pleasure of working with Fucini Productions for the past 5 years. We own 12 Pet Supplies "Plus" Stores in Eastern Pennsylvania. The staff at Fucini Productions has always provided me with the highest quality work & service. They are very creative but also listened to my ideas & expectations. Because the nature of our business requires frequent changes, they handled unexpected contingencies that came up quickly & efficiently. I highly recommend them.

Sincerely yours,

Andy Monas
